A family-owned business, Thackray Crane Rental, Inc. has provided a complete rental service to the tri-state area since 1947. We carry a full line of certified conventional cranes, hydraulic cranes, boom trucks, cherry pickers, tractor-trailers, specialized attachments and lifting equipment to meet any need. Our fleet is radio-dispatched, allowing immediate accessibility, 24 hours a day.

As a full-service crane company, we take pride in offering the latest in mobile crane technology. Moreover, our crane operators are unrivaled in terms of skill and experience. They are fully certified and continually updated on the latest safety procedures and regulations. Every operator is required to take random drug tests and is given a complete physical exam annually. They are knowledgeable, highly skilled and ready to serve you at your next job site.

We are proud of our 20-acre facility on Byberry Road, which includes a warehouse, a 60-dock terminal, secure outdoor storage and crane maintenance facilities. Additional facilities are located at The Philadelphia Naval Business Center, Phila., Pa.; Camden, N.J.; Trenton, N.J.; Mays Landing, N.J.; and the Lehigh Valley, Pa. We can provide a full range of contractor support services that includes secure storage as well as handling and trucking facilities. As a result, we offer customers a distinct advantage: pre-job inspection of equipment and control of delivery schedules and job-site conditions.

Constant awareness of customer needs, commitment to quality workmanship and a reputation for reliability make us the leader in the industry.

We would appreciate the opportunity to serve you.

Sincerely,

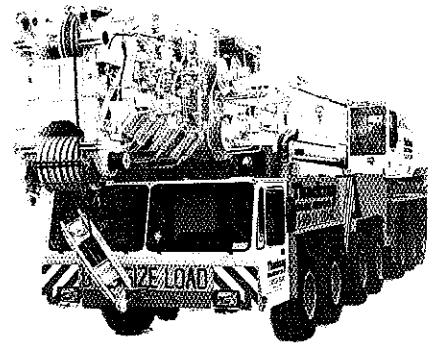

Robert B. Thackray
